Title:	Loneliness		
Picture:			
Caption:	Sometimes, we feel lonely and always think it is the others' fault. It is wrong! If you share your feeling with others, they may save you from dilemma.		
Commentary:	<p>I think that everyone in the world will feel lonely sometimes. Therefore, I took this photo. The colour of it completely shows the loneliness and helplessness of the girl. She is squatting alone at the corner of the wall and hugging herself in solitude.</p> <p>You may think that the reason of her loneliness is that she never tried to make friends with others or it was her own fault. Nevertheless, have you ever thought that we may also turn out to be this girl in one day? Many people often ingratiate themselves with others by saying things that suits others' mind and never tells others their own feeling. They can probably achieve their aim, but they have also blocked others from their heart.</p> <p>At the end, nobody will know their true feelings. Later, they may feel very lonely as the girl. Do you want to be this girl?</p>
