Title:	Really Love Me
<i>Max.8 words</i>	
Lyrics:	<p>One look and I know you're One in a million Why, oh why can't we be Romeo and Juliet It's like I don't exist You never noticed me I gave you heavy hints And gazed at you hopefully I love you I know you love me too A single word from you can stop me feeling blue I'm desperate, desperate for your true love {CHORUS} Remember that I'll love you forever We'll be breaking free Then you won't think there's someone better Can't you see That you really love me</p> <p>I plucked up my courage And told you that I love you But though you ignored me I feel you love me too I love you I know you love me too A single word from you can stop me feeling blue I'm desperate, desperate for your true love {CHORUS} Caught your eye Endless times</p>

Thought you're handsome
Thought you're smart
I can't live
Without you
Love of my life
Yeah yeah
{CHORUS}
{CHORUS}
That you really love me {x4}
I'll love you forever
