Caption:	A daddy embraced his son who is dead.		
Commentary:	<p>May 12, 2008 – a day that will remain etched in people’s memory. That was the day when a deadly earthquake happened in Sichuan. In a minute, everything was completely destroyed by the earthquake. So many people lose their families, friends and properties. Many parents fear about the fate of their children. After the earthquake, we only can hear the people cry and their hearts are broken.</p> <p>Life is full of unforeseeable events, we should learn to treasure everything in our life. Here in Hong Kong, we have enough to eat, a safe place to live with our family and a comfortable place to study. I hope those who suffer from the earthquake can recover soon.</p>
