Title:	Turning a moment into eternity		
Picture:			
Caption:	I used my camera to take a snapshot of this beautiful sunflower -- hoping to change a tiny moment of life into eternity.		
Commentary:	<p>One day, when I walked past the park, I came across a beautiful sunflower. It was so beautiful that I wanted to keep it forever. I used my camera to take a snapshot of it -- hoping to change a tiny moment of life into eternity. With this photo, I will always be able to revive this flower in my mind. With other photos, I can revisit things which I cannot see again. There are many people, many flowers and many different creatures around us. No matter how common they are, when we look at them closely, we will find all of them amazing.</p>
