Title:	You Should Be With Me
	<i>Max.8 words</i>
Lyrics:	<p>You were my best friend, I thought it'd never end You were the one who would always stay true Who knew you would leave us?</p> <p>We always had fun, just us together And now's it's just me, in stormy weather. Now you've left me all alone.</p> <p>Fresh lilies lying on your grave I tried my best, I couldn't save...you.</p> <p>Your love will always be, with us eternally All those memories, the ones you've left with me. Too fast to live, oh you, were just too young to die Time to say goodbye.</p> <p>I thought you'd make it through Always had faith in you Forever full of cheer, I never felt your fear One day, you wouldn't wake up</p> <p>I'm holding back all of the tears I should be there, you should be here.</p> <p>Your love will always be, with us eternally</p>

Lyrics Competition 2009

All those memories, the ones you've left with me.
Too fast to live, oh you, were just to young to die
With me, you should be here.
You should be here.
You should be here.
With me...

Your presence in the breeze, dancing through the trees
And it's your face I'll see, when I need company
Too fast to live, oh you, were just to young to die.
You're never really gone
In my heart you live on
Too fast to live, oh you, were just to young to die
You should be with me.
