Title:	Globe Wish

Lyrics:	<p>Over-extraction, deforestation, Burning fossil fuels, releasing black smoke. Hey guys, what's the problem?</p> <p>Your selfish action, speed up destruction. This is alarming, you should have noticed. Tell me, do you love me?</p> <p>It's high time you treat me fair. I deserve your love and care.</p> <p>This aggravated me, I don't want this scene. You keep destroying me, and I could do nothing. I feel helpless, help me. You're turning me crazy. Oh no, you're killing me.</p> <p>Promptly, plant more trees, quickly set me free. Birds are twittering, roses are blooming. Let us make a difference.</p> <p>I want to see the bluest sky, And let the birds fly up high.</p> <p>Let's make a better place, full of happiness. Create a paradise, there's wonder in the sky. We'll see a world of peace, and full of harmony. I'm glad, if you love me.</p>

Yes, you love me.

You will love me.

I'm sure.

Let's make a better place, full of happiness.

Create a paradise, there's wonder in the sky.

We'll see a world of peace, and full of harmony.

My dear.

Let's make a better place, full of happiness.

Create a paradise, there's wonder in the sky.

We'll see a world of peace, and full of harmony.

Let's try.

Let's hand in hand.

We're hand in hand.

Yeah!
